Dear Parishioners, Parents, Faculty and Friends,

I have some bittersweet news to give you. Mr. Lorenzo Jones, our school principal, has accepted the position of Dean of Students at St. Joseph-Villa Angela High School and will be leaving us at the end of this academic year. We are happy for Mr. Jones as he continues his career in Catholic education but will sorely miss him.

Mr. Jones shared many talents with us in the ten years he was principal. His engaging personality and his academic leadership made a great difference in our school and in the lives of our students. He was an excellent role model and had a wonderful rapport with our families. We pray God bless him in all his future pursuits. We are sure he will make all Namers proud of him and his work.

There is a search committee presently forming to interview candidates for a new principal and I will keep you informed of our progress. I am grateful to Ms. Linda Knight, our Curriculum Coordinator/Assistant Principal for her commitment to help us in this time of transition. She will be a bridge between the new and the old, our present and our future.

I trust that the Holy Spirit will guide us in this time. Our school is dedicated to the Lord and I am reminding Him in my prayer every day to take care of this school which is His school. We will continue, with God's help, to our commitment: "Together, we create an academic, physical, emotional, social, spiritual and safe environment where all our students grow in their God-given abilities to know, love and serve God and our neighbor."

In Jesus' Most Holy Name,

Msgr. Richard C. Antall
Pastor
